

## Appendix D - Overview of inside of Bleik community house

Figure D 1 gives an overview of the layout of Bleik community house with evacuation exits indicated.

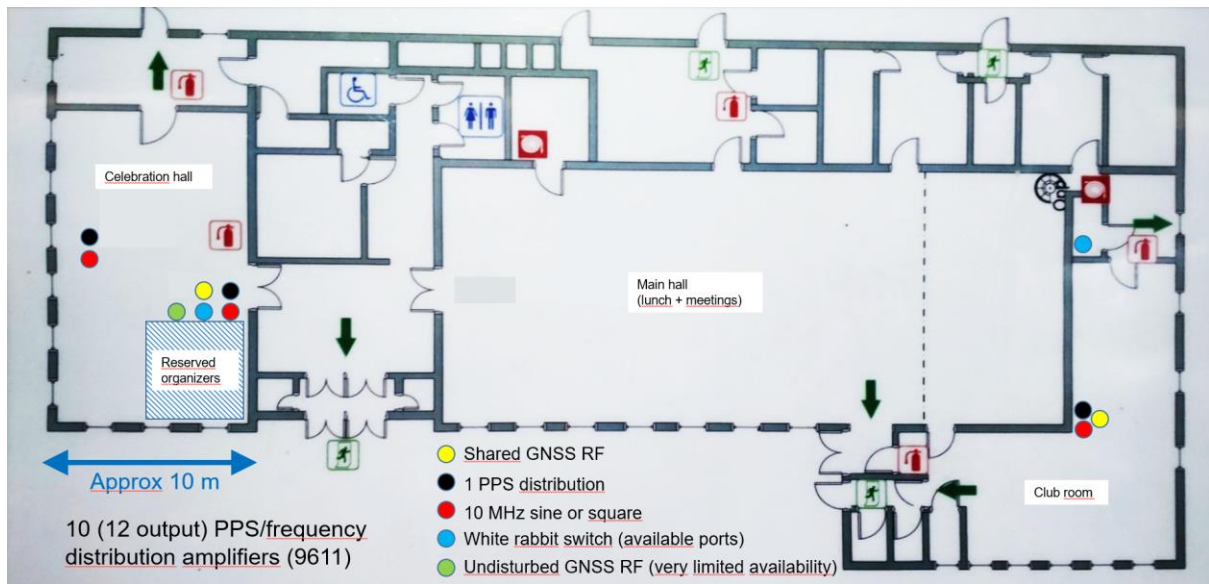

D 1: Floor plan of Bleik samfunnshus ('Bleik community house').

The organizers will set up a shared WiFi network in the building that the participants will be able to use. In addition wired access is possible but the one has to bring cable to hook into our switches (RJ45 Ethernet). The uplink from the community house is shared hence download/upload speeds are dependant on other users. For EU residents Norway is part of EU Roam-at-home hence you should be able to use data on your phone without extra cost (but do check)

There are three rooms that we used in the house, the kitchen room (to the left, with number 1). The mess hall (in the middle, number 2). And the youth club the invers L shaped room to the right.

Figure D 2 gives an overview of RF and timing distribution points indicated.
